

The updated top event for wind power and renewable energy!

# VAASA WIND & RENEWABLE ENERGY

TUESDAY 19 MARCH 2019 | VAASA CITY HALL

Event organizer

**EXPO**  
POHJANMAAN ÖSTERBOTTEN

PART OF **EnergyWeek**  
**2019**

## Welcome to learn the latest news and meet experts, decision-makers and colleagues!

Vaasa Wind & Renewable Energy is organized as an intense one-day expert event on 19 March as part of the international Vaasa Energyweek.

The new and improved Vaasa Wind & Renewable Energy event presents innovation, technology and services for the operators of the energy sector. The event brings together service providers, decision-makers and buyers. The exhibition, seminars, briefings and meetings provide an excellent opportunity to stay at the peak of development in the field of renewable energy.

## Tervetuloa kuulemaan ajankohtaista asiaa, tapamaan asiantuntijoita, päättäjiä ja kollegoita!

Vaasa Wind & Renewable Energy järjestetään 19. maaliskuuta tehokkaana, yksipäiväisenä ammattitapahtumana osana kansainvälistä Energyweek -tapahtumaviikkoa.

Uudistunut Vaasa Wind & Renewable Energy -tapahtuma esittelee innovaatioita, teknologiaa ja palveluita energia-alan toimijoille ja yhdistää palveluntarjoajat, päättäjät ja ostajat. Messut, seminaarit, tietoiskut ja tapaamiset tarjoavat erinomaisen tilaisuuden pysyä uusiutuvan energia-alan kehityksen kärjessä.

## [ EXHIBITORS / NÄYTEILLEASETTAJAT ]

SEMINARS

Technology neutral auction system for renewable energy production

**Moderator:** Marja Kaitaniemi  
*Chairperson of the Board*  
 Finnish Wind Power Association

- 11.30 Policies for competitive wind energy deployment in the EU**  
 Viktoriya Kerelska, *Senior Advisor – Energy Policy*, Wind Europe
- 12.00 Subsidy schemes for promoting renewable energy in the EU and in Finland**  
 Pekka Ripatti, *Deputy Director General*, Energy Authority, Renewable Energy
- 12.15 Competitive bidding for a market premium in Finland**  
 Roland Magnusson, *Competition Advisor*, Energy Authority, Renewable Energy
- 12.30 Panel discussion**  
 -13.00 [all speakers will participate]

Solar energy projects and hybrid energy production solutions

**Moderator:** Helena Kivi-Koskinen  
*Executive Director*  
 World Energy Council Finland

- 14.00 National fiscal benefits out of granting investment subsidy on solar power**  
 Eero Oksanen, *Founder, CEO*, Forus Oy
- 14.15 AC Drives, an essential part of all electrical hybrid solutions**  
 Jonas Forsberg, *Product Marketing Manager* MV Drives, Danfoss  
 Olli-Pekka Aalto, *Global Head of Energy & Power conversion, Vertical Development*, Danfoss
- 14.30 LEMENE 12 MW Renewable energy hybrid solutions**  
 Risto Pönniö, *CEO*, Kiwatti Ltd
- 14.45 Panel discussion**  
 -15.15 [all speakers will participate]

EXHIBITORS BRIEFINGS

- 10.30 Kjeller Vindteknikk Oy**  
**What added value does Kjeller Vindteknikk offer for the Finnish wind energy market?**  
 Ville Lehtomäki, *Managing Director*
- 11.30 Etha Wind Oy Ab**  
**Wind Power Purchase Agreements – A project enabler?**  
 Staffan Asplund, *Managing Director*, *Leading Consultant*
- 13.00 DNV GL**  
**Icing in Energy Assessments and technical risks in Power Purchase Agreements**  
 Stefan Söderberg, *Principal Consultant & Abiman Sivanesan*, *Consultant*
- 13.30 Peikko Finland Oy**  
**Peikko's Wind Turbine Foundations – solutions for decreasing CO2 emissions.**  
 Kari Tuominen, *Business Director*
- 14.00 Wicetec Oy**  
**Megatrends of the Wind Turbine Blade Heating**  
 Petteri Antikainen, *CEO*
- 14.30 Neas Energy A/S**  
**Challenges and possibilities with Corporate PPA's**  
 Sten Lillienau, *Key Account Manager*

ALSO CHECK OUT

- 9.30 Opening of EnergyWeek**  
 -11.00 *Future of energy in the Northern Europe*

The following programme will take place in the Art Hall

- 10.30 Circular Economy**  
 -13.30 Arranged by RENERGI circular economy hub
- 14.00 VES Digitalization Hackathon**  
 -16.00 Arranged by VES – Vaasa Entrepreneurship Society
- 17.00 Energy & Innovation Awards**  
 -18.30 Arranged by Technology Centre Merinova
