

WELCOME TO THE HOTSPOT OF WIND POWER AND RENEWABLES! VAASA WIND & RENEWABLE ENERGY 17.3.2020

EnergyWeek
2020 MARCH 16-19
VAASA, FINLAND

ENERGY WEEK

The largest energy hub in the Nordic countries annually draws thousands of people to Vaasa Energy Week from around the world. Core themes for the 2020 Energy Week events are renewable energy production, smart energy solutions and gas.

ENERGY WEEK

Pohjoismaiden suurin energiaklusteri houkuttelee vuosittain Vaasan Energy Weekille tuhansia vierailijoita ympäri maailman. Tämän vuoden pääteemoja ovat uusiutuvat energiamuodot, älykkäät energiaratkaisut ja kaasut.

VAASA WIND & RENEWABLE ENERGY

Are you ready for the most intense, inspiring and exhilarating event of the Energy Week? During this one-day event, the winds of change will blow for innovations, technology and services connected to renewable energy and wind power. Different operators in the energy industry will impress visitors with their constant technological development, through seminars, briefings, meetings and an exhibition.

VAASA WIND & RENEWABLE ENERGY

Oletko valmis EnergyWeekin intensiivisimpään, inspiroivimpaan ja innostavimpaan tapahtumaan? Tämän yksipäiväisen tapahtuman aikana näet, millaiset uudet tuulet tuulivoiman ja uusiutuvan energian innovaatioiden, teknologioiden ja palveluiden ympärillä puhaltavat. Erilaiset energiateollisuuden toimijat saavat tilaisuuden esitellä kävijöille jatkuvan teknologiakkehityksensä vaikuttavia tuloksia näyttelyn, seminaarien ja tietoisuuksien sekä kohtaamisten kautta.

LET'S CELEBRATE!

This year, Vaasa Wind and Renewable Energy will gather the minds of specialists, decision-makers, colleagues and future innovators for the 10th year in a row.

SYYTÄ JUHLAAN!

Tänä vuonna Vaasa Wind and Renewable Energy kokoaa yhteen alan ammattilaiset, päättäjät ja tulevaisuuden uudistajat jo kymmenettä vuotta peräkkäin.
