

# NORDIC ENERGY STORAGE

REGISTER NOW &  
BOOK YOUR PLACE

25 March 2022, Vaasa City Hall, Finland

Nordic Energy Storage (NES) event will be held for the first time in 2022. **NES is organised by University of Vaasa** in partnership with **ABB, Merinova, Novia University of Applied Sciences, VAMK University of Applied Sciences, VASEK, Viexpo and Wärtsilä.**

NES is **part of the Vaasa EnergyWeek** event which is organised in partnership between various actors in the region. The EnergyWeek is an international energy conference consisting of different events. It will be held for the ninth time in 2022 (21 – 25 March 2022). A total of over 4,500 energy experts from various parts of Finland and Europe took part in 2019.

EnergyWeek website is [www.energyweek.fi](http://www.energyweek.fi)

NES website is [www.energyweek.fi/day/energy-storage/](http://www.energyweek.fi/day/energy-storage/)

## THE PURPOSE AND GOAL OF NES

**NES is an international networking event for energy experts, focusing on energy storage and sustainable battery value chain.** The event is held in the **growing Nordic energy cluster**. The cluster has many active companies and actors working together with innovative projects such as the development of the Finnish batteries ecosystem, hi-tech products and new University education for the industry.

NES will take place on **Friday, 25 March 2022** in the **Vaasa City Hall**. At NES, enterprises will have an opportunity to meet other actors, driving forces and potential partners from Finland and abroad. At the heart of the event is the **exhibition hall** where exhibitors can showcase their activities and products. Participants have an **opportunity to reserve conference rooms to hold meetings**. In addition, there will be a free open **seminar**. An **evening and networking event** will be arranged on Thursday 24 March 2022.

## REGISTRATION

Companies are accepted to the event in the order of registration. Those who register first will have a wider choice of location for their stand. Registration takes place either by telephone or email to either Harri Lehtinen or Teemu Närvä (contact details are at the end of this newsletter).

## PARTICIPATION FEE AND RELATED MATTERS

The participation fee to the NES event is €1295 (+ VAT) and it includes the following:

- **An exhibition stand in the agreed position**
- **Back and side walls to the stand** (the partition walls are 1m wide)
- **Carpet, brochure stand and a table** (width 103 cm, height 105 cm, depth 53 cm)
- **Electric connections and WLAN**
- **2 lunch vouchers and coffee/tea vouchers**
  - o Additional lunch vouchers can be purchased for €12 (+ VAT) each
- **2 tickets to an evening and networking event on 24 March**
  - o Additional evening tickets can be purchased for €70 (+ VAT) each
- **Right to use conference rooms for meetings** with company representatives during the event
- **Company listing in NES marketing material & url link in online exhibitor list**
- **Coat check fee at City Hall**

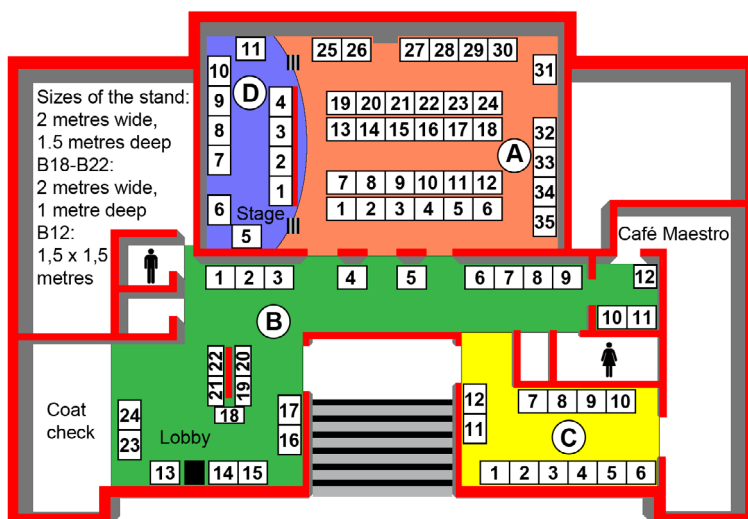

## OTHER TERMS, CONDITIONS AND EXTRA STRUCTURES FOR THE STANDS

The participation fee does not include chairs, insurance against loss or damage or any other matters not stated in the above chapter. Extra structures, carpets and/or fittings for your stand can be ordered from Maiseri's ([www.maiseri.fi](http://www.maiseri.fi)) selection which can be found from [here](#). The exhibition builder will invoice separately for the cost of any extra structures and fittings or carpets.

## CANCELLATION POLICY

For cancellations made by 15 January 2022, we will refund 50% of the participation fee. No refunds will be given for cancellations made after that date. In the event of cancellation, the right to use the stand and other matters included in the participation fee will return to University of Vaasa. You can find Force Majeure terms from NES pages: [www.energyweek.fi/energy-storage-exhibitors/](http://www.energyweek.fi/energy-storage-exhibitors/).
